

## **VIII. How the attacks were carried out :**

Upon entering the Indian territorial waters and territory, the arrested accused terrorist Mohammad Ajmal Mohammad Aamir Kasab alias Abu Mujahid and the dead terrorist accused (1) Ismail Khan alias Abu Ismail (2) Imran Babar alias Abu Akash (3) Nasir Alias Abu Umar (4) Nazir Ahmad alias Abu Umar (5) Hafiz Arshad alias Abdul Rehman Bada alias Hayaji (6) Abdul Rehman Chota alias Sakib (7) Fahad Ulla (8) Javed alias Abu Ali (9) Shoaib alias Abu Shoeb have committed the following listed offences:

In the afternoon of 23<sup>rd</sup> November, 2008, arrested accused Mohammad Ajmal Mohammad Aamir Kasab alias Abu Mujahid, dead terrorist accused (1) Ismail Khan alias Abu Ismail (2) Imran Babar alias Abu Akash (3) Nasir Alias Abu Umar (4) Nazir Ahmad alias Abu Umar (5) Hafiz Arshad alias Abdul Rehman Bada alias Hayaji (6) Abdul Rehman Chota alias Sakib (7) Fahad Ulla (8) Javed alias Abu Ali (9) Shoaib alias Abu Shoeb, Mursheed, Aakib, Usman, Hakim Saab and other three unknown accused, with the help of criminal force, captured 'M.V. Kuber', a fishing trawler in the Jakhau area within the Indian territorial waters. Immediately, Mohammed Ajmal Mohammad Amir Kasab alias Abu Mujahid and other 9 Pakistani terrorists (subsequently killed in the encounters with the Police and N.S.G Commandos) who were in the Pakistani/LeT boat 'Al Husaini', forcibly entered the Indian fishing trawler M.V. Kuber. Out of the 5 sailors on board M.V. Kuber, 4 sailors were taken into the Pakistani/LeT boat "Al Husaini" whilst the navigator (Tandel) of the M.V. Kuber viz. Amarsingh Solanki was forcibly kept on the Indian fishing trawler M.V. Kuber. Simultaneously, the terrorists also loaded their deadly consignment of AK-47 assault rifles, 7.62 mm pistols, hand grenades, RDX-laden IEDs, rubberized dinghy with out board engine, etc. and other material, from the Pakistani/ LeT boat "Al Husaini" to the Indian fishing trawler M.V. Kuber. The detailed planning also entailed the transfer of adequate diesel fuel from the Al-Husaini to M.V. Kuber to facilitate the further direct journey towards the destination Mumbai. On completion of this task, the seven Pakistani terrorists who were on board, the Pakistani/LeT "Al Husaini", left towards Pakistan along with the 4 sailors from the Indian fishing trawler M.V. Kuber. Thence, the 10 terrorists and the Captain (Tandel) of the Indian fishing trawler M.V. Kuber set sail towards Mumbai in the Indian trawler M.V. Kuber.

During this sea journey, the 10 trained terrorist accused on board M.V. Kuber were in constant contact with their handlers and co-conspirators in Pakistan through satellite phone. Similarly, they navigated the 582 nautical miles (approx) journey to Mumbai with the help of the G.P.S device which these 10 trained accused terrorists were carrying. This Indian fishing trawler M.V. Kuber reached approximately 4 to 5 nautical miles off the coast of Mumbai on 26<sup>th</sup> November 2008 at approximately 16.00 hours.

As per the instructions received earlier, these 10 accused terrorists contacted their Pakistani handlers/co-conspirators through the Satellite phone. It was then that the handlers/co-conspirators informed regarding the killings of the 4 Indian sailors

of the fishing trawler M.V. Kuber. Taking a cue, the arrested accused Ajmal Kasab beheaded the navigator (Tandel) of the Indian fishing trawler viz Amarsingh Solanki by slitting his throat in an absolutely inhuman and ruthless manner, akin to a butcher slaughtering a helpless goat with a knife. The dead body was then placed in the engine room of the Indian fishing trawler M.V. Kuber. Whilst this cold-blooded murder was being committed, the trained terrorists with the assistance of a foot operated pump, inflated the rubberized dinghy which they had carried on board the M.V. Kuber. After hugging each other and praying for the success of their mission, these 10 accused terrorists boarded the rubberized dinghy and commenced the last leg of their journey to the Mumbai coast. As pre-determined, the rubberized dinghy reached the Mumbai shore at the Bhai Bhandarkar Machimar Colony opposite Badhwar Park Cuffe Parade at approximately 2030/2100 hrs of 26.11.2008. Again as per the plan and training, these terrorists divided themselves into "Buddy Pairs", five distinct pairs of two terrorists each. Thus, the highly trained and dangerously armed 10 terrorists separated and left for their pre-designated tasks/targets in Mumbai City.

Two terrorists viz. accused Fahadullah and Abdul Rehman Chhota alias Sakib, after the departure of their compatriots, sailed further towards Hotel Oberoi in the sea in the ultramodern rubberized dinghy. These two accused terrorists then landed at the shore across Hotel Oberoi along with firearms and ammunition similar to the other terrorists and proceeded towards Hotel Oberoi. Out of the accused terrorists who had landed at the Indian coast, off Bhai Bhandarkar Machimar Colony opposite Badhwar Park, Cuffe Parade, Mumbai, 2 accused terrorists viz. Babar Imran alias Abu Aakasha and Nasir alias Abu Umar alongwith their firearms and ammunition walked towards Nariman House. The remaining 6 accused terrorists traversed to their pre-decided targets by hailing taxies.

### **Attack on C.S.T. Railway Station:**

Arrested terrorist Mohammad Ajmal Mohammad Aamir Kasab alias Abu Mujahid and deceased terrorist accused Ismail Khan alias Abu Ismail arrived at C.S.T Railway Station in a motor taxi. Enroute this journey, terrorist accused Mohammad Ajmal Mohammad Aamir Kasab alias Abu Mujahid was seated on the rear seat of the taxi cab. Whilst his "buddy" Abu Ismail engaged the Taxi driver in conversation, accused Mohd. Ajmal Amir Kasab planted the RDX laden IED which he had ferried himself, beneath the driver's seat. Subsequently, these two terrorist accused alighted from the motor taxi cab at C.S.T Railway Station. The terrorist accused Mohd. Ajmal Kasab, then entered the lavatory near the C.S.T Railway Station. Meanwhile, the terrorist accused Ismail Khan alias Abu Ismail planted the IED, which he was carrying with him, in the C.S.T Station premises. Thereafter, these two terrorist accused ruthlessly and indiscriminately commenced firing from the AK-47 assault rifles and lobbed deadly hand-grenades on the hapless and unsuspecting passengers waiting at the Main Hall resulting in the massacre of innocent ladies, senior citizens, children etc.

Continuing the blood bath, these two terrorist accused still firing indiscriminately and using the hand-grenades to deadly effect, attacked the Police officers, constables and the Home Guards who made a valiant attempt to nip their diabolic agenda. These two merciless terrorists then came towards the local line platforms and continued to fire indiscriminately. Being hounded by the valiant Police officers and personnel led by P.I. Shashank Shinde, these two terrorists were pushed out of the Railway Station premises on to the foot over bridge / pedestrian staircase adjoining platform No.1. Crossing over, whilst continuing to fire and lob hand-grenades, they entered the by-lane adjoining the Times of India Building and the Anjuman Islam School. Their attempts to open a locked private car from the parking lot did not bear fruit. Continuing their march forward, these two terrorists approached the entrance of the Cama Hospital. Enroute, they even fired at and killed an innocent bystander who was consuming his meal in a small hut along the side of the road. Their firing and killing spree continued unabated till they entered the Cama Hospital. At this location too, they fired indiscriminately and threw hand grenades on the Police party which had entered the Hospital premises to ensure the safety of the patients and Hospital doctors and staff. Undeterred, the terrorists killed a Police officer and constable in addition to seriously injuring other uniformed personnel. Taking advantage of the injuries sustained by the Police officer and men due to the firing from AK-47 rifles and the lobbying of hand-grenades, the two terrorists left the Cama Hospital Building and nonchalantly walked down Mahapalika Marg. Enroute they fired and killed a Police officer who was regulating the movement of public there. Entering Badruddin Tayabjee Lane, they fired at a Government vehicle which was passing through the Rang Bhavan lane and attempted to kill the driver of the said vehicle. Advancing towards the vehicle with the intention to hijack it, they, however, were forced to retrace their steps and seek cover behind a tree nearby as they noticed the approach of a Police vehicle towards the spot. Simultaneously, the senior ranked Police officers and one of the constables sitting in that vehicle commenced firing towards the terrorists on noticing their suspicious movements. The two terrorists retaliated by indiscriminately firing from their ultramodern AK-47 rifles killing the three senior Police officers and three Police constables seated in the Qualis vehicle and injuring a Police constable who lay prone on the rear seat of the Police vehicle. However, due to the firing by the brave and courageous Police officers viz Hemant Karkare, Ashok Kamte and Vijay Salaskar and P.N. Arun Jadhav, the terrorist Mohd. Ajmal Kasab received injuries on both hands. Taking charge of the Qualis by throwing out the three high ranking Police officers, the terrorists attempted to remove the dead bodies of the constables from the rear seat. The rear door of the Qualis did not budge open, whereupon the two terrorists drove the Police Qualis towards the Metro Cinema square. They further fired indiscriminately from the Police vehicle at the unsuspecting crowd which had gathered at Metro Junction.

Two persons including a Policeman died in this firing. One bystander was seriously injured. Further, these two terrorist accused with the Police Qualis vehicle reached opposite Mittal Tower "B-Wing" near Usha Mehta Square, Barrister Rajani Patel Marg, Mumbai. During this journey, one rear tyre and tyre tube of the Qualis

Police jeep, which was hijacked by two terrorists accused, developed a puncture and the vehicle started wobbling. Compelled to abandon the Police Qualis vehicle, the two terrorists then hijacked, through use of force and criminal intimidation, a Skoda car No. MH-02-JP-1276 which was traveling from the opposite direction. The driver and two other occupants of the Skoda car were forcibly evicted and the two terrorists then commenced their onward journey in this Skoda car.

As soon as the two terrorists abandoned the Police Qualis vehicle, the seriously injured Police Naik Arun Jadhav, who was lying helpless in the rear portion of the vehicle, picked up the wireless set installed in the Police vehicle and informed about the incident to the Police Control Room. Based on this information, the Police Control Room immediately flashed an alert wireless message to all Police vehicles and mobile vans of all Police Stations giving details of the terrorists' movements in the hijacked vehicle. Acting promptly and displaying exemplary courage, a police party from the Dr. D.B. Marg Police Station reached opposite Café Ideal, below the pedestrian bridge, N.S. Purandare Marg, North Lane, Girgaum Chowpatty, Mumbai and organised roadblocks and a "Nakabandi". This "Nakabandi" resulted in total stoppage of the traffic on the North-bound lane of the N.S. Purandare Marg.

As soon as the terrorist accused reached the "Nakabandi" point in the hijacked Skoda car, the police party ordered them to shut off the headlights of the car. However, the terrorists switched on the water spray on the wind-screen of the Skoda car with the intention to mislead the police party who were, thus, prevented from having a clear view of the occupants inside the car.

On realizing that there was no way out, the two terrorists attempted to turn around the Skoda car thereby crashing it on the road dividers. Instantly, the police party approached the vehicle of the terrorists. At that moment, terrorist accused Ismail Khan alias Abu Ismail started firing from his pistol towards the approaching police party. Simultaneously, terrorist accused Mohammad Ajmal Mohammad Aamir Kasab was approached by Asstt. Police Sub-Inspector Tukaram Ombale who grabbed the AK-47 nestled between the legs of Mohd. Ajmal Amir Kasab and simply refused to let go. The arrested terrorist, Mohd. Ajmal Amir Kasab then pulled the trigger of the AK-47, thereby killing the courageous Asstt. Police Sub-Inspector Tukaram Ombale on the spot. However, by his valiant act, Asstt. Police Sub-Inspector Tukaram Ombale provided vital seconds to other members of the present police team to rush to the vehicle and overpower and nab Mohd. Ajmal Amir Kasab. Due to this firing, Asstt. Police Sub-Inspector Tukaram Ombale died on the spot and another police officer API Sanjay Govilkar was wounded. On the opposite side, the police officers and men present retaliated to the firing done by the terrorist accused, Abu Ismail. In the ensuing fire, the Police team succeeded in grievously injuring Abu Ismail on the spot. Thereafter, the two terrorists were immediately moved to a hospital for treatment. Terrorist Ismail Khan alias Abu Ismail was declared dead before admission by the attending doctors at the Hospital, whereas terrorist accused Mohammad Ajmal Mohammad Kasab alias Abu Mujahid was admitted for treatment in the Hospital.

Terrorist accused Mohammad Ajmal Mohammad Aamir Kasab alias Abu Mujahid, whilst traveling between Badhwar Park to C.S.T. Railway Station, planted an IED laden with RDX weighing approximately 8 kgs in the taxi which exploded on the Western Express Highway opposite the City Swan Club, Vile Parle (East), Mumbai. This explosion was of such a high magnitude that not only was the taxi blasted to pieces, but the bodies of the taxi driver as well as a passenger who happened to be a lawyer by profession, were blown and thrown at some distance away from the spot of incident.

### **Attack on Nariman House :**

Nariman House, a five storied building had been purchased two years ago by the Chabad of India Trust, an orthodox Jewish organization and renamed as Chabad House. The second "buddy" pair of terrorist accused viz Babar Imran alia Abu Akasha and Nasir alias Abu Umar who had landed at the Bhai Bhandarkar Machimar Colony opposite Badhwar Park, Cuffe Parade, Mumbai reached Nariman House, Colaba Wadi, Shaheed Bhagatsingh Road, Colaba, Mumbai, located at a distance of approximately 500 meters, by just walking. Before entering the targetted building, one of the terrorists planted a RDX-laden IED weighing approximately 8 to 10 kgs, which was in his possession, at a short distance away from the petrol pump at Shahid Bhagatsingh Road, Colaba, Mumbai. Also, on entering this building, the second terrorist planted another 8 to 10 kgs RDX-laden IED near the staircase at ground (parking) level area. Subsequently, both these RDX-laden IEDs exploded. Both these terrorists held some residents of the building as hostage and under the fear of dire consequences, compelled one of the Jewish hostages to speak to their Embassy on the phone. The two terrorists also repeatedly contacted their Co-conspirators in Pakistan and received operational and motivational inputs. These terrorists further contacted the media and misled them by citing reasons for their attacks with the intention of camouflaging their real and original intentions for the attacks. This conversation has been telecast by "India TV".

The terrorists, using their huge stockpile of illegal fire arms and hand grenades, not only opened fire inside the Nariman House, but also wantonly fired at the nearby building killing innocent residents there. A total of 8 people were killed including three helpless women. These terrorist accused also killed a National Security Guard (N.S.G.) Commando viz. Head Constable Gajendra Singh. In this attack, many peace loving and innocent citizens have also been injured.

### **Attack on Café Leopold & Hotel Taj Mahal:**

Leopold Café, a watering hole, established in 1871 and frequented by foreigners as well as Indians is a known tourist spot. The third pair of terrorist accused viz. Abu Shoaib and Abu Umer who had landed on Indian soil at the Bhai Bhandarkar Macchimar Colony opposite Badhwar Park, Cuffe Parade, Mumbai, reached their assigned target, Café Leopold located on S.B.S. Road, Colaba, Mumbai by hiring a motor taxi cab. Enroute this journey, one of the terrorist

accused planted an approximately 8 kgs RDX laden I.E.D below the driver's seat. These two terrorists then left the taxi near the Leopold Café and walked quietly to Café Leopold to begin their mindless indiscriminate shooting using Ak-47 assault rifles. They also lobbed hand grenades resulting in the death of 11 persons including two foreigners. Besides, a total of 28 persons including 9 foreign nationals have been injured seriously.

On completion of this mayhem, both these terrorists walked immediately towards the Hotel Taj Mahal located on P. Ramchandani Marg, Colaba, Mumbai. Enroute, one of the two terrorists planted an 8 to 10 kgs RDX laden I.E.D on the kerb near the Gokul Restaurant and Bar. Mumbai Police Bomb Detection and Disposal Squad (B.D.D.S.) diffused the bomb just at the nick of time. Thus, considerable damage to life and property was averted. The RDX bomb planted by these two terrorists in the taxi motor cab, during their journey from Badhwar Park to Café Leopold, caused a massive explosion when the motor taxi cab reached opposite BPT, Mazgaon, Mumbai killing instantly the two lady passengers and the unsuspecting taxi driver. In addition, 19 innocent bystanders around that area suffered serious and minor wounds/injuries.

### **Attack on Hotel Taj Mahal :**

Hotel Taj Mahal is a heritage building and an iconic structure constructed in 1903. The fourth "buddy" pair of terrorist accused viz. Hafiz Arshad alias Abdul Rehman Bada and Javed alias Abu Ali who had landed alongwith their terrorist teammates at Macchimar Colony, Badhwar Park, Cuffe Parade, Colaba, Mumbai reached the landmark Hotel Taj Palace and Towers, P. Ramchandani Marg, Colaba, Mumbai by motor taxi cab. Before entering the world famous Hotel both the terrorists planted a 8 to 10 kgs RDX laden I.E.D. near a chowky outside the main porch of the Taj Hotel. However, the Bomb Detection and Disposal Squad (B.D.D.S.) was successful in defusing this "carrier of death" before it could explode. Therefore, large -scale damage to human life and public property was averted. These two terrorists entered the Hotel Taj Mahal from the front/main gate entrance. Subsequently, this buddy pair of Abdul Rehman Bada and Abu Ali fired indiscriminately on the Indian and foreign Hotel guests who were present at that time. The two terrorists who had attacked the Café Leopold viz. Abu Sohaib and Abu Umar entered the Taj Hotel from the Northcote gate and began firing indiscriminately in and around the swimming pool area. Soon, the 4 assembled terrorists let loose a reign of terror, fear and mayhem in the entire hotel.

Thus, there were a total of four terrorists inside the Hotel Taj. All these four terrorists started moving on various floors of the Hotel Taj, firing indiscriminately and shooting at everything that moved. Soon, the Army columns and the Naval Commandos (MARCOS) were also requisitioned to assist the civilian police to repel the unprecedented terrorist attack. These four heavily armed terrorists not only fired indiscriminately with the AK-47 assault rifles but, time and again, gained an advantage due to their vantage location and use of hand grenades. They planted an RDX laden IED weighing about 8 to 10 kgs on the 5<sup>th</sup> floor below the central dome.

It exploded causing damage to the structure. They also set afire the sixth floor of this world famous heritage Hotel Taj. Throughout the terrorist operation, the terrorists were in regular contact with their co-conspirators/LeT operatives through use of sophisticated communication system and thereby continuously received operational and motivational inputs from foreign soil.

The National Security Guard Commandoes waged a bitter and grim battle for over 59 hours to control and subdue these highly trained and motivated terrorists. During the operation, Major Sandeep Unnikrishnan from N.S.G. and a State Reserve Police Force Jawan Rahul Shinde had to lay down their lives. When the dust finally settled, a total of 36 guests including nine foreign nationals lost their lives. The death toll also included helpless women and children.

### **Attack on Hotel Trident and Oberoi Hotel:**

The fifth pair of terrorist accused viz. Fahadullah and Abdul Rehman Chhota alias Sakib landed at the sea coast opposite Hotel Oberoi and Hotel Trident with the aid of the motorized rubber dinghy, after dropping off their compatriot terrorists at Macchimar Colony, Badhwar Park, Cuffe Parade, Colaba, Mumbai. Before entering the Hotel Trident, one of the terrorists planted a 8 to 10 kgs RDX-laden I.E.D. on the slope of the flowerbed adjacent to the Trident Hotel Main entrance Gate. Subsequently, this I.E.D. exploded. However, the damage was absolutely minimized by the B.D.D.S. placing a "Bomb Blanket" on this I.E.D.

Immediately on entering the Hotel, the terrorists commenced firing from their AK-47 rifles and lobbed hand-grenades. The initial "blitzkrieg" led to numerous innocent lives being lost at the Bell Desk, Reception counter, lobby, Tiffin Restaurant, etc. The terrorists also planted another 8 to 10 kgs RDX laden I.E.D. near the Tiffin Restaurant which subsequently exploded. As per the strategy adopted by the terrorists, they forcibly took hostages from the Kandahar Restaurant and went to the higher floors. From this vantage location they held the security forces at bay by firing intermittently from their A.K. 47 assault rifles and hurling the deadly hand-grenades to deter the latter from gaining any tactical advantage whatsoever. The terrorists, during the entire siege period, were in constant telephonic contact with the co-conspirators who provided them operational and motivational inputs. The terrorists also contacted a T.V. Channel and provided them misleading information with the objective of masking their true identities. After a bitter fight which lasted nearly 42 hrs., the Security forces ultimately succeeded in killing the two terrorists but not before 35 persons including 9 foreigners were killed and 24 guests (including 5 foreigners and 4 security personnel) received injuries.

## IX. Misleading Messages :

During the investigation of these crimes, it is also observed and noticed that immediately when the 10 terrorist accused attacked the targetted sites in Mumbai, misleading messages were dispatched to various News channels by e-mail.
